From the Bultimore American. COMMUNICATION.

TEXAS. eitin my power, from the most authentic se referred to. Santa Anna is represented have said, as soon as the war in the south faished, I will send 4 or 6000 of the troops I-tas, and chastise those turbulent and Inat North Americans; and should the smallresistance be made, the whole of their perty shall be confiscated, and I will confirm into a desert? Now it so happens, the the last and very recent arrival at N. it, of the packet from Vera Cruz, a letter sen received from an American gentle-of first respects ality, in which he men-shang spent a day with President Santa ea, a short time previous to his departure beninstalled.) He writes, that the Presi-feit expressed the most friendly feelings, ben tawards Col. Austin and the people o tis. With regard to the latter, he declarmitted, as he knew they had no disposition to toolt. Of the former, that he had been outageously oppressed and maticiously treated, ald put the Col. at liberty. That every reparation should be made him, as far as lay is his power. That he would also see that wice was done to the people of Texas, in protection of their property, persons, &c. intention of the President to liberate on from another independent source of the cry highest authority. So far, therefore, tany thing to be dreaded from the hostility. of President Santa Anna, the people of Tex-is tare every thing to Lope from the enlarg-et siews of public policy, the liberal prin-ciples and friendly feelings of this eminent

pation.

Col. Austin has, unfortunately fallen, for a eramp, into the hands of virulent political escaies, who have slandared him, imprisoned him, and, if it were in their power, would cladly order him to the scaffold. But their bloody purposes have been arrested by the interpolition of men high in office and influence, whose good opinion was to be won, and taliable services obtained, only by real merit. taliable services obtained, only by real merit; and the palpable justice of the case. Who-erer has read the account of Col. Austin's theracter and services, contained in an inte-reting little work entitled Observations on Texas, by Mrs. Holley, will be convinced that that gentleman has always maintained, under most trying circumstances, a character of in in to be, easily, seduced into any measures al questionable propriety; and that his faith-falses to the Mexican people, hitherto uniis the Mexican people, interest uni-famly displayed, as it has been sincerely felt, friend the idea that he can ever become, as he has been stigmatized in one of the Mexican parally, a Mexican to his adopted country. The writer of this communication has a right almost the state of the stat The writer of this communication has a right is how, by assurances from Col. Austin himself, nore than once repeated, that it is no sain as his, nor of the great majority of the ishlight reflecting people of his colony, that I may shell become a state; and pendent of he Mexican confederacy. They are too well savined that it is not their interest to be so. There are the interest to be so. The interest to be a solution of the personal eviate of the original are the subscribes have obtained from the interest to be so. The interest the are the interest to the interest to be so. The interest the are the interest to the interest to the interest to be so. The interest to the
